

The Performance Plus Chip

Wearable Technology for the Body

A complex distribution network called the Meridian System supplies vital energy through every part of the body, allowing it to function properly. Disrupting the Meridian System may cause disease, breakdown of the immune system, and other health related problems.

Nature's Frequencies has developed a variety of Holographic Chips designed to combat these disruptive problems in targeted regions via the use of patent pending Frequency and Scalar Wave Technology.

For optimal results it is important to keep properly hydrated and drink plenty of water.

Holographic Chips work naturally to support the healing and improvement of your health and overall well-being.
